The Choice is Yours With New Euro-Bike Trips

DeKalb, IL – Euro-Bike & Walking Tours is spicing up this year’s vacation offerings by adding a new level of variety to two of its most popular bicycle tours.

Options of walking, canoeing, kayaking or even horseback riding have been added on some days of these tried-and-true trips.

“Some of our travelers like a change of pace on their cycling vacations, so we decided to offer them some new choices,” said René Hoeve, Euro-Bike & Walking Tours president. “While people can always choose not to cycle on any given day, the walking, canoeing or other options give them different active possibilities on occasion.”

Enjoy a savory “Taste of Provence,” kicking off with a guided walk in historic Avignon. From the seat of your bike take in the scenery, which can include pink flamingos winging overhead in the Camargue, or head out on horseback for an equestrian choice.

Take in the magical light of the Provence countryside while walking in the footsteps of Vincent van Gogh on day four, or opt to continue cycling through this enchanted region.

Trade pedals for paddles and a relaxing canoe ride on the Gardon River, or enjoy a gentle bike ride through lush riverside towns on day six of the trip.

The seven-day “Tuscan Fantasy” tour begins with a guided walk of Florence. Walking in Siena and San Gimignano offers off-the-beaten-path experiences, while avid cyclists can take the biking options on these days.

The choice is yours. The beauty is, you don’t have to decide until after you’ve had your breakfast and heard the day’s options highlighted.

Whether biking, walking, taking to the waterways or hopping atop a horse, each traveler gets our high quality service and support from the guides.

Both of these multi-sport tours offer our signature luxury tours as well as Econo-Tour departure dates. Our luxury vacations include housing in 3-, 4- and 5-star hotels and four of six multi-course dinners including wine. Those who don’t mind the less luxurious (mostly 3-star) hotels and a reduced number of group dinners can save up to 30 percent on our Econo-Tours.

Euro-Bike & Walking Tours has been leading active vacations in Europe for over 30 years.

The company offers a full line of cycling and walking vacations in 13 European countries, with additional specialty departures for family tours and private groups.
