Hit the Hot Spots on Highlights of Holland

Take a four-day spin through the Netherlands with Euro-Bike & Walking Tours. Our new Highlights of Holland cycling trip is perfect for those who have never experienced a bike tour or those looking for a few days of cycling in addition to a longer European vacation.

This new tour has its inaugural year as the Netherlands celebrates Rembrandt's 400th birthday throughout 2006. On Highlights of Holland you'll visit the master's boyhood home of Leiden where many special exhibits and events are planned to honor his life and works.

Visit museums with works by Rembrandt and other famous Dutch masters. Savor fabulous rides along sandy beach coasts and serene pastures on endless bike paths.

Along the route you'll be greeted by rainbows of vividly colored flowers that appear each spring in this land famous for tulip fields, historic windmills and its people's passion for cycling.

We'll stay in the glorious resort town of Noordwijk where you can indulge in your hotel's indoor pool, sauna, spa and fitness room.

From our hotel we venture out on beautifully maintained bike paths each day. The Keukenhof Gardens with its extensive and stunning flowerbeds of tulips and other early flowers is not to be missed on our spring departures.

Experience The Hague, the most elegant town in Holland. Get a bird's-eye view of the beautiful neighborhoods and lovely town square in Haarlem. Take a ferry to the quaint island village of Kaag. The popular seaside resort of Zandvoort and several other historic towns and sites are sure to delight riders of all ages.

Euro-Bike & Walking Tours has been leading active vacations in Europe since 1974. Our tours are fully supported and feature exclusive routes, luggage transfer and 24-hour assistance from our multi-lingual European guides.
